Where do SRF grantees come from?

LEGEND

A legacy of rescue. A beacon of hope.

“ At my host campus, I was very happy to have peace... to produce, to discuss and to continue my research. ”

LIVES SAVED.
VOICES SAVED.
IDEAS SAVED.

FELLOWSHIPS FOR THREATENED SCHOLARS AROUND THE WORLD

The Scholar Rescue Fund formalizes an unwavering commitment to academic freedom that the Institute of International Education (IIE) has demonstrated for over 85 years. At the heart of the Fund is the idea that each scholar we help who continues his or her work in safety is a beacon of hope in our world.

Together we can make a difference. One life, one voice, one idea at a time.
